Over the past four years many have helped build this project. Without people and places safeguarding collections and generously sharing their knowledge, this thesis would not exist.

Special thanks to private collectors Dionisio Platel, Lluís Giral, José Luis Villanueva for scanning material. Thanks to comics scholars Antoni Guiral, Antonio Martín, Jaume Capdevila, Roger Sabín, Fabio Gadducci, Matteo Stefanelli, Manuel Barrero, Jorge Catalá-Carrasco, Jessica Kohn, Pascal Lefèvre and Antoine Sausverd for valuable advice and references.

Grazie alla Fondazione Tancredi di Bartolo in Turin & la Biblioteca Enzo Tortora in Rome for letting me plough through their periodicals.

Thanks for the research stays @Pompeu Fabra in Barcelona and @Academia Belgica in Rome; merci to Pascal Lefèvre and Sébastien Conard for their classes @LUCA Bxl; gracias Viviane Alary for setting up iConMICs with Jesús Jiménez-Varela; merci to ACME; 2Occ; and La Brèche for having me as a member. A cartoon illustration of a street sign that reads "RUE DEL 13 PERCEBE". A large, grey, winged figure is flying over the sign. In the background, a small figure is running away from a building.

A stylized, high-contrast black and white illustration of a building facade. The building is composed of simple geometric shapes: a large rectangle for the main body and a smaller one on top. A sign is attached to the left side of the building, featuring the text 'COMICS URGENT' in a bold, sans-serif font. The sign is oriented vertically, with the text running from bottom to top. The entire illustration is set against a plain white background.
